**Collection:** CS

**Range:** Hand Protection

**Materials:** HPPE, Steel Fibre, Glass Fibre, Nylon, Elastane

**Dipping:**

: 12

**Outer Carton:** 1

#### Product information

From the CS Collection, this glove offers reliable Cut Level C protection with a 15-gauge liner that ensures flexibility and comfort during use. The PU coating provides excellent grip and wear resistance, while a reinforced thumb crotch adds durability in high-stress areas. It is also touchscreen compatible, making it convenient for use with digital devices.

#### CS

Introducing the CS™ cut resistant hand protection collection. Packed with features such as touchscreen compatibility, reinforced thumb crotch and reflective labels for improved visibility in low light conditions. The CS™ collection is designed to provide the highest level of cut resistance whilst allowing the wearer to carry out tasks, safely and securely. This collection of eight gloves suit almost every working environment. Including an 18 gauge option for the highest dexterity, a latex coated option for optimal grip and a leather palm option for supreme heat protection. The CS collection ensures maximum safety when needed most.

#### Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwest's extensive range of Hand Protection products....
